

COME PLAN THE NEW MOUNT JOY STATION!

PennDOT, in partnership with Main Street Mount Joy and Mount Joy Borough, is facilitating a three-day interactive community charrette on plans for the Mount Joy Keystone Station. The charrette is part of a “Downtown Destination Development & Branding Plan” currently underway for the Mount Joy Amtrak Station. PennDOT and Main Street Mount Joy share the goal of creating a thriving and successful Main Street in Mount Joy, and the plan will identify improvements to maximize the benefits of investments by MSMJ, PennDOT, and the Borough through land use and development strategies in the surrounding community.
